Hi Sergio,

Thanks for the email.

My primary concern is regarding the complimentary email during the review period. It's concerning to me that this was not reflected, in anyway, in his PA. This, to me, clearly show bias, as well as bad faith. If the City is unwilling to even reconsider modifying the scores in his PA, I suppose the only way to prove this bias/bad faith is through a FOIA request.

At this time I'm formally requesting all complimentary communications received from the public or contractors over the last two years received by the Department, as well as any and all documents or communications pertaining to the Department's recognition and handling of such complimentary communications. Further, I'm requesting all Performance Appraisals and PIPs for every employee under the supervision of Andrew, as well as Lucho (redacted names, of course) for the last two years, or since January 2015.

Please let me know how soon the City can provide this information.

All the best,

Rich Anderson
